

FISCAL NOTE

HB 2020 - SB 1986

June 12, 2001

SUMMARY OF BILL: Deletes the provision requiring per diem payments to commissioners of utility districts to be approved by the customers of the district in any county having a population of not less than 18,200 and not more than 18,500 according to the 1990 or any subsequent federal census (Scott County).

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - Net Impact - Not Significant

Estimate assumes any decrease in local government expenditures resulting from not being required to provide notice and hold an election for approval of the per diem payments would be offset by an increase in expenditures for such per diem payments which could be made by resolution of an affected district's board under the provisions of the bill. The net increase in expenditures is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
